The Winner will have 7 days from being notified to accept the Prize by email. The Winner may choose to forfeit the Prize.

The Winner will be required to sign and return a release of liability, affidavit or declaration of eligibility, and, where lawful, a publicity consent agreement, as instructed upon notification. By accepting the Prize, the Winner grants Sponsor the

use of his/her name, voice, hometown, and likeness for the purpose of advertising, trade, or promotion without further compensation, unless prohibited by law.

If the Winner is ineligible, chooses to forfeit the Prize, cannot be notified, or fails to timely return the completed and executed affidavit or declaration and release, the Prize will be forfeited. In this case, an alternate winner will be selected by a random drawing and notified as set forth above.

There is no guarantee that potential medical applications being studied in the laboratory or clinical trials will become available.

Cord tissue use is still in early research stages, and there is no guarantee that treatments using cord tissue will be available in the future. Cord tissue is stored whole.
