Healthcare Provider Network

Helping support your practice
one patient at a time

We're committed to helping your patients make the best decision about protecting their family's future with newborn stem cells.

By joining the CBR® Healthcare Provider Network, you'll receive the support you need to keep your patients informed on protecting their family's future health with newborn stem cell preservation. It's easy and free to join the network.

Who's eligible?

All delivering healthcare providers who perform cord blood and/or cord tissue collection for CBR clients are eligible to join.

Why join?

Enroll now to receive:

- Newborn stem cell collection training
- Email updates on stem cell news, information, and clinical studies
- Print and digital patient education materials for your office
- Payment for your services when you collect cord blood and/or cord tissue for CBR clients, per the HPN agreement
